**4. Matters Arising:**

Ian Brown has been to another meeting with officers from the Roads Service regarding the closure of the A71 and diversion of traffic through Murieston. The Council has now agreed to divert heavy traffic eastbound via Almondvale Roundabout to the A899 dual carriageway from 5pm to 9am each day. The closure will start on 7 July for 6 weeks.

Councillor Fitzpatrick stated there are safety reasons why the A71 could not be kept open with single lane contraflow operation. The hours of work can be extended if the repairs fall behind schedule. A mobile pelican crossing will be provided at the Vets. Murieston West road at Bankton Mains will be a no parking zone for the duration of the traffic diversion. New signs will be erected warning the height restriction under Murieston rail bridge. Hours of repair work on the A71 can be extended if necessary to ensure that the closure timetable is maintained.

General advice to local residents is to drive carefully on affected and adjacent roads.

**5. Finances:**

As stated at the AGM earlier.

**6. Community Policing:**

A report was given by PC Alan James.

Alan reported on the recent vandalism at the Campbridge Pond. 8 persons had been camping and drinking there. Trees were cut down and put in the Pond. Tyres and cans were dumped in the Pond. Handrails were pulled down.

The Council sent in a team to remove the trees and have now replaced the handrails.

No swimming signs may be put up around the Pond.

There was a robbery at the Co-op store on 20 May.

There have been two breakins and two car thefts in the area.

**7. Councillor's Report:**

Councillor Fitzpatrick made a report :-

The roof at Bellsquarry Primary School will be renewed this year. The bell tower will be taken down as it is non-functional and is not economic to maintain it.

The headteacher at Bellsquarry Primary has left recently. Arlene Black of Williamston Primary is covering in the interim.

Councillor Fitzpatrick is trying to get extra carriages for the 07.44 train. The ScotRail operations director has advised that their timetable is planned 77 weeks ahead. All carriages are leased. Advice is that passengers should not expect to stand for more than 11 minutes on a journey.

Mrs. Joyce Morrison gave a report on behalf of MEG.  
MEG raised £500 at the Gala Fun Day held at Livingston Cricket Club on Sunday 8 June.

- 9. Litter Pick and Cleanup:**  
Our Litter Pick and Cleanup organised by Carol Hallesy and Tania Armstrong took place on Sunday 25 May. Unfortunately the weather was poor but there were still forty adults and children who gathered 36 bags of rubbish. Thanks to all the volunteers participating in the cleanup, providing catering at Murieston Village Hall afterwards and to the local Co-op store for providing biscuits, cakes and refreshments.

Presentations on the housing need and demand are being held at the Edinburgh City Chambers on 2, 9 and 17 July.
- 15. Planning Applications:**  
Councillor Fitzpatrick left the meeting before this item was discussed.  
An application has been made to build one house in Murieston Valley beside Moriston Drive (0264/FUL/14). The land in question is covered by a TPO. The Council Planning Service had refused planning permission but the application was referred to the planning committee by a councillor in support of the application. At the subsequent Development Management Committee meeting it was pointed out by the Development Management Manager that four persons who had purportedly submitted letters in support of the application had no knowledge of submitting these letters. The councillors on the Development Management Committee then voted by four votes to three to approve the application and grant planning permission.  
The Community Council agreed that there was material concern about the circumstances and determination of this planning application and decided that the office-bearers would be empowered to take this forward in regard to pursuing further action.
